Dear Ms. Griffin:

Thank you for requesting the comments of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the Phase I Cultural Resources Investigation Report, prepared by the Rochester Museum and dated July 2006, in accordance with the New York State Parks, Recreation and Historic Preservation Law, Section 14.09.

Based upon this review, it is the OPRHP's opinion that your project will have No Impact upon cultural resources in or eligible for inclusion in the State and National Register of Historic Places.

The OPRHP appreciates the opportunity to comment on this information. It should be noted that further consultation with the OPRHP will be necessary if there are any changes to the project. Please telephone me at ext. 3280 with any questions you may have. Please also refer to the PR# above in any future correspondence for this project.

Sincerely,

Nancy Herter  
Historic Preservation Program Analyst,  
Archaeology
